LA MERIDIANA

Dear Guest,

the concept of accessibility is closely connected to each and everyone's needs.

Therefore, we provide our guests with a detailed description of our spaces, as well as our aids and services.

We ask you to carefully check if our services may be suitable for your necessities.

ACCESSIBILITY TO THE BUILDINGS

Casa Albergo Liberty, Beach Resort Chalet Alta Marea, Residence I Delfini

1) Casa Albergo LIBERTY:

The Liberty House Hotel, located at 150 meters from the sea, is composed of 15 apartments (double room, living room with sofa bed, bathroom) with all comforts, catering service on request, common areas and outdoor garden.

Parking

You can park your car in the public parking outside the building or in the private covered parking on the ground floor of the adjacent building (40 meters from the entrance). The path that connects the car parks to the main entrance of the Liberty House Hotel is accessible and barrier-free.

Entrance to the building

The entrance is on Via Ernesto Di Fiore # 11. There is an external gate with hinged door with opening of 120 cm. The door of the main entrance is also hinged with opening of 120 cm. Both are devoid of steps or thresholds. The path from the external gate to the entrance of the building is totally smooth cement floor.

Apartment entrance

From the main entrance through the hallway on the ground floor you can reach the accessible lift serving all floors and get to the entrances of the apartments. The width of the path from the main entrance of the apartment is 120 to 150 cm and has ample maneuvering spaces.

Elevator

The elevator is accessible, the opening of the doors is 80 cm, internal dimensions are: depth 140 cm, width 104 cm.

The lift is equipped with an embossed keyboard also in Braille as well as a recorded voice that indicates the number of floor.

Apartment

The front door of the apartment is a hinged door with opening of 88 cm. The interiors are accessible. The interior doors are also hinged with opening of 80 cm. The furnishings and finishes have been made in order to facilitate the perception and use of space for the visually impaired and wheelchair. The electrical buttons are placed at between 40 and 120 cm from the floor and the safety box 125 cm from the floor.

Room: wardrobe with sliding doors, beds 85x195 cm, high 52 cm (liftable to 62 cm)

Living room-kitchen: the height of kitchen work is 90 cm (3 apartments get a 70 cm free space below); the table top is high 80 cm, the space below the table top is high 66 cm (73 cm tall tables are available with 70 cm space below); threshold to go on the balcony is high 2 cm.

*In 3 of our apartments
it is possible to have a
kitchen with no cupboard
doors (see photo)*

For more info, contact us

Bathrooms

The bathroom of each apartment is accessible and equipped with: floor-level shower, folding shower doors, suspended sink (height 80 cm; space below, 68 to 70 cm), alarm bell, hand shower on the toilet, handles support for toilet and shower, upon request it is possible to have a wc-seat rise with front opening, free space to approach the toilet laterally and frontally, bidet which might be installed on the side and in front.

*The arrangement of the bathroom in these photos is just an example
For more info contact us*

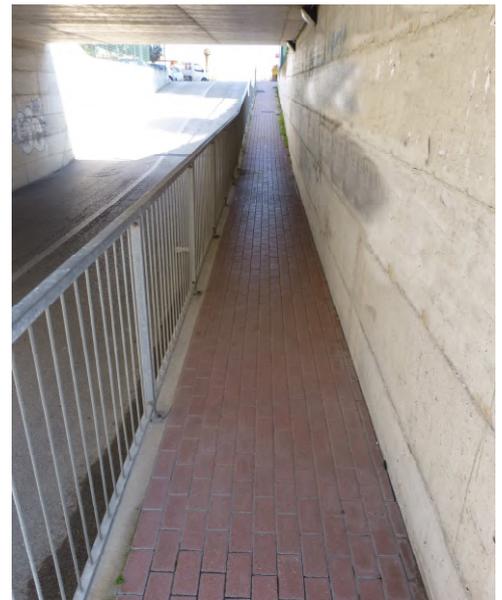

chalet *Alta Marea*

The beach is about 250 meters from the Liberty House Hotel and it is part of the Alta Marea beach resort.

From the Liberty House Hotel you can reach it through a paved flat road of 50 m, you then cross the railroad through an underpass where there is a sidewalk 125 cm wide, which has a first part downhill (inclination 8%), 25 meters long with an intermediate break, a second part which is flat and 4 meters long, a third part uphill (inclination 8%), 18 meters long; then you walk two flat asphalt and cement sidewalks, with a total length of 150 meters.

The Alta Marea beach includes: accessible and barrier-free bar and restaurants, 3 accessible bathrooms, 1 accessible shower room, 1 accessible dressing room, plastic platforms (100 cm wide) to help you get to the beach umbrella (inclination 8%). Available to customers: 3 sea wheelchairs *Offcar*, model Sand & Sea, and raised sun loungers.

On the sandy beach there is a walkway that leads up to the first row of beach umbrellas reaching the shoreline (variable inclination, 2-8%).

For your safety we let you know that our staff, both in the residence and at the beach, is **NOT QUALIFIED** to assist you.

residence

I Delfini

I Delfini counts 38 apartments with all comforts, 100 meters away from the sea and near the city centre. 6 ground floor apartments (4 two-rooms apartment and 2 three-rooms apartment), common areas, garden, solarium, elevator and garage floor are accessible.

Solarium with swimming pool

The solarium is located on the 5th floor of the residence I Delfini, adjacent to the Liberty House Hotel, and is available to all our guests; there are sun loungers for sunbathing, shaded areas, and from there you can enjoy a wonderful panoramic sea view and also a panoramic on the hill.

It is reachable by a person in a wheelchair through the lift with a wide door of 80 cm, depth 140 cm, width 104 cm.

The pool is raised, compared to the solarium's floor, and is not accessible by a person in a wheelchair.

ACCESSIBLE SPACES

Cupra Marittima

It is also possible to visit the centre of Cupra Marittima, market, post office, banks, town hall, tourist office, many shops, evening markets. The bike path that reaches Grottammare and San Benedetto del Tronto is accessible, as well as the Museo Malacologico Piceno.
